

1. What do I need to do before Camp 323?

Pre Check-In Your Child:

Children who have registered for Camp 323 must check-in before camp. Pre Check-in will be offered at Eagles Landing First Baptist in the elementary library on Sunday June 4th from 12:30pm – 4pm and Wednesday June 7th from 5pm – 8pm. Enter the church on the north side of the building past the playground (left side when facing the church).

At Pre Check-In, you will:

All Campers

- Confirm your registration for Full-Day or Half-Day camp
- Confirm your extended care needs
- Confirm your emergency contact information
- Confirm your child's medical and dietary needs
- Sign a Camp 323 permission/waiver form for your child
- Collect any remaining balances for camp fees
- Receive your Camp 323 water bottle and T-shirt

Full-Day Campers

- Receive your child's color team and squad assignment
- Receive your child's Camp 323 backpack and wristband for their color team and squad

If you will not be able to make the dates for Pre Check-In, you will be able to check-in the morning of June 12th. However, that is not encouraged due to high volumes.

2. What do I need to know about each day of camp?

Extended Care:

If you registered your child for extended care, you may bring them as early as 7am and they must be picked up by 6pm.

The entry location for extended care will be on the north side of the building (left side of the building when facing it). Use the entrance just past the playground.

Half-Day campers staying in extended care will need to bring a nap blanket.

Arrival:

Both Full-Day camp and Half-Day camp will enter through the main entrance at the front of the church.

If your child has been Pre Checked-In (highly recommended), you will go directly to our Welcome Team at the iPad stations. We will give your child

their name tag/security tag and give you the tag necessary to pick them up in the afternoon.

If you missed Pre Check-In, you will have to stop by our registration table to complete your registration and get your assignment and gear. The remaining days, you will proceed directly to the iPad check-in stations.

Once your child is checked-in for the day, you will escort them to their starting location. Out of respect for our volunteers, **do not drop off your children prior to 8:45am**. If you need an earlier drop off, we can offer extended care.

- Full-Day Camp – Start in the main worship center.
- Half-Day Camp – Start in your assigned classroom (signs will be posted)

Departure:

Full-Day Camp: Pick up time is 4pm. Pick up will be in the main worship center. If you arrive early, feel free join us for our last session in the worship center. At the time of release, proceed to your child's color team and present your Guardian Receipt for your child to the Squad Captain. Please have your child leave their backpack daily so that we can distribute supplies for the next day.

Half-Day Camp: Pick up time is 12 noon. Pick up will be at your child's assigned classroom. If you arrive early, please wait in the lobby until the time of release. Please do not enter the classroom. At the time of release, proceed to the classroom and present your Guardian Receipt for your child.

Security:

Camp security is obviously very important to us. We will have a security team constantly monitoring all activities across the campus. From drop off until departure, all children will be required to stay with their squad leader.

Each morning, you will receive a "Guardian Receipt" when you check-in your child. This tag displays a code that will correspond with the code on your child's tag. The Guardian Receipt must be presented when picking up your child in the afternoon. We will accept a picture of the Guardian Receipt. We will require a copy of a valid form of identification from any individual picking up a child without a Guardian Receipt.

Parents or guests will not be allowed to watch/participate with the kids. Access to the campus will be restricted. All entrances to the building will be locked except for the main entrance. All visitors must check-in at the main entrance at the front of the church.

Snack, Meals, and Hydration:

Full-Day Camp: We will provide a snack and a full lunch for each camper. We will provide a Camp 323 water bottle to each child and we will have water stations set up around the campus. Please stress the importance of hydration with your child. Extended Care: A second snack will be provided in the afternoon for campers with extended care.

Half-Day Camp: We will provide a snack for each camper. We will provide a Camp 323 water bottle to each child. However, the campers will also have access to water fountains. Extended Care: A full lunch and afternoon snack will be provided for campers in extended care.

*Please make sure to let us know of any medical or dietary needs of your child. We are a peanut free facility.

Camp Nurse:

We will have several medical professionals on campus throughout the week. They will handle minor issues. **If your child needs medication to be administered while at camp, you will need to complete the medication instructions at the Nurses Table at Pre Check-In or on Monday June 12th.**

In Case of Emergency:

If an emergency occurs, we will use the emergency contact information provided at registration to call the emergency contacts. We will have direct access to emergency medical assistance if needed.

If you have an emergency and need to get in touch with your child, please call our church office at 770-957-1355. If your child needs to leave early for any reason, please enter through the main church entrance and we will escort your child to you.

Wellness Policy:

To ensure the health of children and volunteers, we ask that sick children NOT attend Camp 323. It is recommended that a child should not leave home when the following symptoms exist or have existed within a 24-hour period:

- Fever
- Vomiting or diarrhea within the last 24 hours
- Common cold – from onset through one week
- Any unexplained rash
- Any skin infection – boils, ringworm or impetigo
- Untreated pink eye or other eye infection
- Lice, including the presence of eggs or nits

3. What do my kids need to bring and wear?

Attire:

All of our campers will get sweaty and messy. Please dress them for plenty of fun. Here are some suggestions:

- Shoes – closed toe and closed heel. We will be running and playing.
- Clothing
 - Make sure that the clothing is modest and not revealing.
 - Nothing excessively short or tight fitting
 - Nothing excessively loose or baggy (nothing falling off)
- Don't wear your "Sunday Best" clothing. It will come home as your "Monday Play" clothes.
- Please send extra clothes for half-day campers. This comes in handy if there are any accidents.

Bring to Camp 323:

- Full-Day Camp – Make sure to bring your backpack, wristband, and water bottle that you will receive at Pre Check-In.
- We will have areas of shade available for the kids when they are outside. However, we recommend that you apply sunscreen to your child every morning. Feel free to send more sunscreen with your child.
- Your child can bring a Bible / notebook / pen if they desire. However, this will be something extra to carry and keep up with. We will have Bible references on the big screen for kids to follow.
- Bring your friends! It's still not too late to register.
- **Half-Day Extended Care – Please bring a nap blanket**
- A good attitude and a smile. We will provide everything else.

Don't Bring to Camp 323:

- Electronics – Your child will be kept very busy at camp. They will not have time to use their electronics. Also, they can easily get misplaced or damaged while at camp. If any camper brings electronics, their squad leaders will kindly hold the device for them until departure.
- Anything of significant value. Remember that your child will have to be responsible for their belongings.
- Please do not wear any jewelry. We do not want it misplaced or accidentally broken or snagged while playing.
- Extra candy or snacks. We have children with allergies. Since it would be very difficult for us to monitor the snacks of every camper, it would be best if we provide the only source of food.
 - If your child has special dietary requirements, please make sure that we know.
