

# PRAY @ 19000

**Let's redeem the number 19!**

Now associated with the coronavirus, we can use 19 as a catalyst for prayer!

**HERE'S THE PLAN:**

**Pause every evening and  
pray at 1900 (7pm).**

**Begin your prayer time  
by praising God for His  
sovereignty. He still is  
and always will be in  
control of all things.**

**Pray that we will trust  
Him to help us navigate  
this season of  
uncertainty.**

**PRAY @  
1900**

**Pray for wisdom for  
governmental leaders,  
the CDC, researchers,  
other medical personnel,  
and leaders in churches  
and other strategic  
places to respond wisely  
and appropriately.**

**PRAY @  
1900**

**Pray for the protection  
of doctors, nurses, crisis  
response teams,  
emergency first  
responders, and other  
medical professionals  
who risk their lives to  
protect ours.**

**PRAY @  
1900**

**Pray for comfort and  
healing for those  
stricken with this virus.**

**Pray they will receive  
the quality health care  
they need to regain  
health and strength.**

**Pray for their healing  
and for a vaccine to cure  
and eradicate this virus.**

**PRAY @  
1900**

**Pray for peace and  
calmness, as well as  
freedom from fear,  
anxiety, and panic  
among individuals  
and communities.**

**PRAY @  
1900**

**Pray that we would be  
proactive in proclaiming  
the gospel and sharing  
the good news of  
Jesus Christ.**

**Pray that this event  
would be a catalyst for  
revival in North America  
and around the world.**

6

**PRAY @  
1900**

**Pray for open eyes so  
we can see the needs  
around us and respond  
as the Church. Ask God  
to use you to meet the  
needs around you.**

**PRAY @  
1900**

**STAY UP-TO-DATE:**
